

DO NOT Repeal Media Ownership Rules!

I am writing to urge you to retain media ownership limits. Docket No.02-277, The Biennial Review of the FCC's broadcast media ownership rules, I understand will address those issues.

The FCC MUST NOT repeal media ownership rules. The results of such deregulation have already been disastrous.

History will view such an action, and its inevitable consequences, as one of the greatest blows to democracy, diversity and free speech. I strongly oppose the vote on June 2. The perception already exists that the chairman is ramming these rule changes through to intentionally dodge public debate.

Thank you,
